"Patrick's advocacy is first-rate. Incisive and eloquent, assertive if necessary but always courteous. He has meticulous attention to detail, a brilliant way with clients and a very fine mind." The Legal 500 2023

"He is an absolute star and a delight to work with." Chambers and Partners 2023

Patrick specialises in commercial, construction and technology disputes. His practice is focused on complex construction and engineering disputes both in international arbitration and UK litigation, with significant experience in transport and energy infrastructure and project finance.

Recommended in leading UK and global directories, Patrick is regularly instructed as sole counsel and junior by domestic and international clients in litigation, arbitration and alternative dispute resolution (ADR).

Patrick undertakes advisory work for a range of employers, construction professionals and adjudicators and has experience with all major standard form building contracts (JCT, FIDIC, NEC3). Patrick has worked closely with the litigation teams at a number of top tier UK construction and energy law firms and has extensive experience with dispute resolution boards.

Patrick also has considerable international experience, having worked on secondment with a leading international law firm in South East Asia and with an extensive practice in the UAE. Patrick has experience in ICC, LCIA, SIAC DIAC, HKIAC and ad hoc arbitration and has further experience as an arbitrator and secretary to arbitral tribunals.

International Arbitration

Patrick has significant experience in international arbitration, in particular disputes arising out of a broad spectrum of construction, engineering and infrastructure projects. Patrick has gained invaluable experience working on secondment in the arbitration and dispute resolution team of a leading international law firm in Singapore and in-house with a leading UAW property developer. Patrick has experience of ICC, LCIA, DIAC, SIAC, HKIAC and JAMS arbitrations, primarily as counsel. He has also benefitted from experience as tribunal secretary and has been appointed as an arbitrator in ad hoc proceedings.

Patrick is currently or recently instructed in ICC proceedings in respect of an advanced agricultural technical complex in Azerbaijan, DIFC-LCIA proceedings in respect of the construction of a resort complex in the UAE and ICC proceedings in respect of the construction of a hospital in the UAE.

Cases of note:

- **HKIAC:** Acted as junior counsel for a Chinese state-owned energy company in a US\$1bn green energy investment dispute.
- **LCIA Arbitration:** Acted as sole counsel for a Dutch technology firm in €10m+ dispute arising from the construction of solar power generation component plant in China.
- **ICC Arbitration:** advising contractor in multi-million dollar dispute concerning delay and disruption claims arising from the construction of a US\$3.7bn refinery complex in North Africa.
- **ICC Arbitration:** advising contractor in multi-million dollar dispute concerning delay and disruption claims arising from the construction of US\$3.7bn refinery complex in North Africa.
- **SIAC Arbitration:** acting (as foreign legal consultant) for the contractor in SIAC arbitration arising out of a dispute over the construction of a signature engineering project in Dubai.
- Instructed as sole English counsel (with local counsel assistance) in enforcement proceedings in Tanzania and the UK relating to an ICC arbitration arising out of a dispute over the construction of a luxury resort hotel.
